

Omega-3 Compliance Testing Consumer Report

Pace Analytical Laboratory tests Omega-3 products on a batch/lot-specific basis using the most stringent international testing standards to ensure products meet the highest quality compliance testing for Omega-3 fatty acids. Pace is a member of the Global Organization for EPA and DHA Omega-3 fatty acids (**GOED**) and follows their voluntary monograph to ensure that the tested products meet/exceed the highest quality standards established worldwide.

Product Information – Nurture Kids®

Product Name	Nurture Kids® Omega-3 DHA
Product Type	Highly Concentrated & Ultra-Pure Triglyceride DHA
Ingredients	Concentrated Fish Oil (From Anchovy, Sardine & Mackerel), Mixed Natural Tocopherols, Softgel made with Fish Gelatin
Batch / Lot #	UC170338
Expiration Date	05/26/2019
Daily Dose	Take one (1) softgel daily after a meal
Brand Name	Premium Omega
Company Name	Anpas Global LLC
Company Phone	1-888-335-6258
Website	premiumomega.com
